A LETTER FROM YOUR CLASS ELF

Hello, everyone!

Dear class .....

I'm your class elf, and I've come to stay until the end of term. Every morning I'll be somewhere new in the classroom, so have a good look when you come in.

I'm very good at sitting still. I'm less good at sitting still near the glue sticks.

Three things I'd love: a cosy spot to sit, a wave in the morning, and please leave me where you find me, so I can find my way about at night.

Love from .....

P.S. I've already found the paper cupboard. Oh dear.
