A NOTE FROM YOUR ELF

Gone on a little trip

Dear .....

I've popped out for a few days. Don't worry, I haven't forgotten you. I'm only a bit away, and I've left my spot just as it was so I can find it again.

Where I've gone:

- ☐ Home to the North Pole for a magic top-up
- ☐ To visit my cousins
- ☐ A reindeer flying lesson
- ☐ Somewhere warm(ish)
- ☐ Something else: .....

I'll be back on .....

Keep my spot cosy for me, and I'll bring you a story about the trip.

Love from .....

P.S. If you find a crumb, it's mine. Please leave it there. I'll want it later.
