FROM THE NORTH POLE

A magic top-up

Dear .....

Your elf wrote to ask me something important: can a cuddle or a bump take away elf magic? Not one bit. Elf magic is made of kindness, and that never wears off. Your elf is all topped up, and fizzing so much the reindeer are jealous.

Lots of love, Santa

A NOTE FROM YOUR ELF

Sorry, I overslept!

Dear .....

I meant to move, I really did. But it was so cosy here that I nodded off on guard duty. The good news: I guarded the presents all night, and not one escaped. Back to mischief tonight.
