A LETTER FROM YOUR ELF

Surprise! I came too

Dear .....

I squeezed into the bag when nobody was looking, and I have come to stay as well.

I'm staying at .....

New house, new hiding spots. I've already found three good ones and a very comfy cushion.

I'll be on my best manners. Well, my second best. See you in the morning.

Love from .....

P.S. Please tell the grown-ups here I don't need my own bed. A slipper will do.
