A LETTER FROM YOUR ELF

Sorry I'm late!

Dear .....

I should have been here days ago. I packed my bag, I waved goodbye to the reindeer, and then everything went a bit wrong.

What held me up:

- [ ] A snowstorm on the North Pole runway
- [ ] The reindeer had hiccups. All of them. All night.
- [ ] I sat on the wrong sleigh and went the long way round
- [ ] A very long queue at the workshop
- [ ] One wrong turn at the moon
- [ ] Something else: .....

I'm here now, with lots of catching up to do. I'm staying right up until it's time to fly home for Christmas.

Love from .....

P.S. Sorry about the crumbs. It was a long journey and I got peckish.
